

Frode PowerFlame 2 Pure White

FM461WH1-E621EU

Description

Frode is a minimalist electric fireplace inspired by Scandinavian design, perfect for adding a warm, cozy ambiance to your home.

Featuring PowerFlame 2, it combines a brick interior, 3D flames, ambient lighting, and soothing crackling sounds for a truly captivating and cozy experience.

Materials: Made of MDF and wood, finished with a multi-layered paint and matte lacquer.

Assembly: Delivered flat-packed in 2 boxes, assembles in 30 minutes.

Immersive features: Integrated crackling sound and flickering ambient light elevate the flame.

Wi-Fi: Control from anywhere with the Tuya App.

Magic Heater: Hidden from view and quieter than rainfall, it operates at just 39 decibels.

Dimensions

Width: 99 cm
Height: 88.3 cm
Depth: 25 cm

Delivered in two boxes:
110 x 19 x 34 cm, 21 kg
84 x 74.5 x 26.5 cm, 19.4 kg

Energy Consumption

Flame only: 8Wh - less than a light bulb.

Flame + heating: 1400 - 1600Wh - like a regular electric heater. It can heat up a 25m² room.
